

STANLEY MALAMED, DDS

Dr. Malamed, a dentist anesthesiologist, graduated from the New York University College of Dentistry in 1969. He completed his residency at Montefiore Hospital and Medical Center in the Bronx, New York before serving for 2 years in the U.S. Army Dental Corps. He is now an Emeritus Professor of Dentistry at the Herman Ostrow School of Dentistry U.S.C. in Los Angeles where he joined the staff in 1973 and retired from full-time teaching in 2013.

Dr. Malamed has authored more than 160 scientific papers, 17 chapters in various medical and dental journals and textbooks, and has authored 3 textbooks and 2 interactive DVDs in the areas of physical evaluation, emergency medicine, local and general anesthesia and sedation.

## Dental Emergencies, Cardiac Emergencies

**Instructor:** Stanley Malamed, DDS  
**Short Course:** 8CEs CBDE/6CEs ADA/AGD (Code 142) (EXPIRES 5/24/21)  
**Format:** Video  
**Delivery:** mp4 Download or DVD Via Mail  
**Course Price:** \$445  
**Register:** (866) 611-5599 or [www.AmericanSeminar.com](http://www.AmericanSeminar.com)

### COURSE OBJECTIVE

After completing this course participants will have a better understanding and working knowledge of the following:

- ◆ Compare and discuss management of the 3 types of angina pectoris
- ◆ List situations when chest “pain” occurs that a myocardial infarction should be considered
- ◆ Define and describe 4 steps in pre-hospital management of a suspected MI
- ◆ Distinguish between pain of angina pectoris and that of acute myocardial infarction
- ◆ Discuss the “silent MI”
- ◆ Discuss survival rates for out-of-hospital sudden cardiac arrest
- ◆ Name and describe the steps of the BLS-HCP algorithm
- ◆ Explain the rationale behind the change in technique from A-B-C to C-A-B
- ◆ Name the 4 rhythms and the “shockable” rhythms of cardiac arrest
- ◆ Discuss the automated external defibrillator

### COURSE TOPICS

#### **DCAR-01-01: Cardiac Care: Management of the 3 Types of Angina Pectoris**

*Compare and discuss management of the 3 types of angina pectoris.*

#### **DCAR-01-02: Cardiac Care: When Chest Pain Occurs**

*List situations when chest “pain” occurs that a myocardial infarction should be considered.*

#### **DCAR-01-03: Cardiac Care: Pre-Hospital Management of a Suspected MI**

*Define and describe 4 steps in the pre-hospital management of a suspected MI.*

## COURSE TOPICS

**DCAR-01-04: Cardiac Care: Pain of Angina Pectoris vs. Acute Myocardial Infarction**

*Distinguish between pain of angina pectoris and that of an acute myocardial infarction.*

**DCAR-01-05: Cardiac Care: The Silent MI**

*Discuss the "silent" MI.*

**DCAR-01-06: Cardiac Arrest: Survival Rates for Out-of-Hospital Sudden Cardiac Arrest**

*Discuss survival rates of the out-of-hospital sudden cardiac arrest.*

**DCAR-01-07: Cardiac Arrest: Steps of the BLS-HCP Algorithm**

*Name and describe the steps of the BLS-HCP algorithm.*

**DCAR-01-08: Cardiac Arrest: From A-B-C to C-A-B**

*Explain the rationale behind the change in technique from A-B-C- to C-A-B.*

**DCAR-01-09: Cardiac Arrest: Rhythms and Shockable Rhythms of Cardiac Arrest**

*Name the 4 rhythms and "shockable" rhythms of cardiac arrest.*

**DCAR-01-10: Cardiac Arrest: Automated External Defibrillator**

*Discuss the automated external defibrillator.*

**ADA CER.P**® | Continuing Education Recognition Program

**American Seminar Institute is an ADA CER.P Recognized Provider.**

ADA CER.P is a service of the American Dental Association to assist Dental Professionals in identifying quality providers of continuing dental education. ADA CER.P does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

(11/1/2019) to (12/31/2024)

The American Seminar Institute is designated as an Approved PACE Program Provider by the Academy of General Dentistry. The formal continuing education programs of this program provider are accepted by the AGD for Fellowship/Membership and membership maintenance credit. Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement. The current term of approval extends from (2/1/2017) to (1/31/2024).  
Provider ID# 211769
